

# FONTEZOPPA

## VERDICCHIO DI MATELICA

---

*This beautiful wine opens with floral notes of jasmine, acacia and beeswax. The palate delivers succulent creamy peach and pineapple notes, with a hint of bitter almond. The creamy texture is brightened by mouth-watering acidity and, while delicious now, this will develop additional complexity in years to come.*

**Color:** White

**Grapes:** 100% Verdicchio

**Soil:** Rich mineral and rocky

**Altitude:** 380 m above sea level

**Yield:** 80 HI/Ha

**Farming practices:** sustainable
